Subject: FW: Complaint no. 2440 dated6/10/2017Regardingcontaminationofwatersupply &amp; blocked sewer line.

Dear sir

Its very unfortunate that despite of several reminders and requests made to your office and to your departments related to my complains as per attached mails their is no action. The complain still remains unattended resulting lot of problems faced by the residents of our colony. I received a call from Mr. Karan Dutta SDO mcj Jalandhar regarding my complain . But later on he never responded nor attended our complain. Even DAINIK BASKAR NEWSPAPER has also published our complain in news paper dated 7/11/17 and 8/12/17 as per attachment.

I fail to understand when the government authorities are not listening to the complains of citizens than what is government for ?.

Regards,

Deepak Kaul
