Dear Sir, Madam

Good day

I am Deepak am from Phagwara, New city heart nagar, near new bypass. This area before was in village hajipur now this area coming in city under Phagwara municipality. We have Problem from (STREET) my area street work pending from 2 Years nobody take any action. last time i complaint to Phagwara Municipality buy mail they Did Not take any action. We tray to complaint Area area incharge (MC) He Also Did not take any action.

I Receive one reply from Phagwara municipality buy email. They said sewerage & water supply pipe Work is Not complete. without Complete that Work we can't make road. When they complete that work after six months we will make road. now who is responsible for sewerage work? that work pending from 2year. we can't come out from home after rain. road is totally wet kids can't go school. Many chance to accident.

Please check attached Phagwara municipality Report and road conditions pictures

Pleas do as soon Possible

I hope you will take farewell action
